AQUATORIUM SOCIETY

ANNUAL REPORT

July 28, 2007

Thank you for joining us at our 17th annual meeting of the Society.

Enclosed you will find:

- ◇ A complete financial report.
- ◇ The nominees for our board for the coming year (and honorary board).
- ◇ A special thank you list.

Our first event, on July 24, 1991, was held after volunteers reopened the Old Bathhouse to save it from the wrecking ball. That was just the beginning. Since then we have put on a new roof, created the Tuskegee wing, put in new sewers and sidewalks, and that's just a few of the improvements we have made.

This year alone we built a new cloakroom and food prep room, added cold storage, had the Tuskegee room and doors repainted, upgraded the lighting, bought a commercial grade refrigerator, and hired a new manager.

As you look around, you can see the improvements we have made. None of them would have happened without your support. We will continue to make improvements as funds become available.

With your continued support we are turning dreams into reality.

Don't forget our website, aquatorium.org.

THANK YOU,

The Society Board of Directors
